

Hello everyone---

Greetings to you from beautiful NC and in the precious Name of our Lord and Savior, Jesus Christ! Whisper that Name with me---Jesus---Jesus---and feel the refreshing. What **power** in just a simple Name! Bless the Lord!

Well, our family is doing well. Ian is coming to stay overnight tonight (Sat. May 22) and we will take him home in the morning so that we can go to his church to hear him sing with his class. We are very excited to have him to ourselves. He asked me to make sure I had everything ready and I think I do! He will be 5 yrs. old at the end of August and he is getting so tall. Beth and Cory are doing great. They are such Godly parents and we just thank the Lord for that.

Danielle and Shaun are traveling right now. They went to London and are now in Paris. They should be heading home within the next couple of days so I would appreciate your prayers for their safety. We will be excited to hear about their trip and see the pictures. I am use to talking to my girl almost every day, so this has been hard. I have really missed her. Dani will be starting her summer classes when she gets back. She is taking classes to be able to work as a guidance counselor or something along that line. She wants to get away from the areas that her business degree gives her and work more with people. Shaun will have the summer off from his classes. But his job keeps him hoping!

Jamin is almost finished with his first year of teaching. His dog, Cota, has grown into a beautiful husky. She is still just as playful as she was when she was younger which creates a problem because she is so big. But she doesn't realize that! We ask for your prayers for Jamin as we are not sure what is up for him next. He has talked about trying to get into a different school district and that would mean a move, but we will see.

Richard and I are doing good. We will be taking my mother to TX for her grandson's wedding in the middle of June. It has been a **long** time since I have been on a plane so I am a little nervous. We do have both of our homes up for sale so that, Lord willing, we can get something with my mom to help her more and free up some finances for both of us. So we have been doing some home repairs. Ugh!! Please pray for God's will in this.

Richard is not able to go to England in June, but...we are excited because **something** is changing. We don't know what yet, but you know how that goes. The anticipation about kills you! Please, please....just really pray with us over the next couple of months. We **so** want God's direction and will in our lives, our family and the ministry!

Here are some prayer requests that need your attention:

Hayley Sellan: She is the 2 month old baby that we asked for prayer for major surgery. The surgery went well and she is doing good, but please continue to pray for her as she look for the cause of her problems.

Pastor Hearst: He is battling cancer

Mike Hicks and Judy Messina: We have mentioned Mike before as he is battling cancer. We just found out yesterday that his sister, Judy, is now battling cancer also.

Rev. Tony and Kim Goins: They lost their son in a motorcycle accident last week.

Nancy Kopf, Darlene Stevens and team: They are heading to Peru with Adopt-A-School program. They will be taking school supplies to children along the Amazon and Napo Rivers. Although this is not a Christian organization, this team will be allowed to distribute Bibles and share Jesus. They will be traveling June 14-28. Darlene has also shipped Bibles to this area and has made Pastor Packs to take to the area pastors with Bibles, teaching materials and pastor helps. Please pray for this wonderful mission trip.

Pal Stevens: Pal, Darlene's husband, will be having a procedure done on June 30.

Ray Hicks: Ray, Darlene's dad, will be having surgery on June 1.

Singles Retreat: Richard and I will be traveling to Myrtle Beach to speak at a retreat next weekend. We will leave Thursday evening (May 27) to drop my mom off at my brother's house in Wilmington and then head on down for the retreat over the weekend. Please pray that lives will be changed and strengthened in the Lord.

"Righteousness goes before him and prepares the way for his steps." Ps. 85:13

**"In his heart a man plans his course, but the Lord determines his steps."
Prov. 16:9**

**"I know, O Lord, that a man's life is not his own; it is not for man to direct his steps."
Jer. 10:23**

I have been thinking about these verses and when our path is right (righteous) with the Lord, we will have peace. On the flip side, when things are not right, there will not be peace. It really shouldn't be that hard then, to follow God's path when all we have to do is feel the peace that the Spirit whispers into our hearts that **this is the way you should go...walk in it!** Right? Please pray with us that we will remember that our lives are not our own and that God promises to direct our path. We will pray for you also that you will hear God's whisper and feel the peace in your heart as we all learn to rely more and more on God, our Father.

God bless you all today and always.

In His Care--

Tammy Weagraff
